Yankee Permaculture Reading List ORDER FORM
(Use the regular YPC order form for items not listed below.)

NAME _____

EMAIL ADDRESS _____

ADDRESS _____

TOWN _____ STATE/PROV _____

POST (ZIP) _____

CODE _____ COUNTRY _____ DATE _____

Quantity	ITEM	Price
	Introduction to Permaculture @ US\$24.+ p&h** See below.	
	Student Course Reading list package + p&h @ \$375.00	
	Non-Student Course Reading list package + p&h @ \$400	
	Yankee Permaculture Library + p&h (compute from current list)	
	Postage and Handling (included in reading package)	
	TOTAL ENCLOSED IN US\$	

Payment in US dollars only. Send bank check or postal money order for expedited shipment.

* The course package is shipped Priority Mail to USA addresses, M-Bag, Book Rate outside the US. If you want insured shipment outside the US, double the price and we will remit any balance or bill any added cost.

** To compute p&h for the USA, add \$50 to 10% of the purchase price. Outside the USA, add \$5 to 20% of the purchase price. P&h is added in the reading package price already.

If you order before registering, pay \$400 and deduct \$25 from your LAST tuition payment. Anyone can order at \$400.

ALTERNATE OPTION - TOTAL YANKEE PERMACULTURE LIBRARY

You may buy everything on the current Yankee Permaculture Order form at total price less 20%. Shipping worldwide is \$20. If you have some of these publications, give the duplicates as gifts. PLEASE INDICATE THE KIND OF COMPUTER SYSTEM YOU USE AND THE NAMES OF YOUR WORD PROCESSING AND DATABASE PROGRAMS. WE MAY SUPPLY SOME MATERIALS ON DISK OR AS EMAIL ATTACHMENTS at our discretion only.

IMPORTANT TO REGISTRANTS TO OUR ONLINE PERMACULTURE DESIGN COURSE

Students from previous courses have indicated a strong preference to have sample designs available. While no specific design is REQUIRED reading, it is very strongly advisable to have sample designs on hand. We recommend that when you get Special Order Paper #27 (part of the reading package), that you look over the descriptions of the designs and pick two or three that suit your circumstances to order in addition to the reading list. It appears that these are close to essential for successfully completing your design project required for certification. Some years we will have student designs presented early in the course. They may suffice this need.

EXPEDITED SHIPMENT requires payment by bank check or money order. See instructions below. Personal or business checks are fine, but shipment will take place about two weeks after receipt of your check.

Give a Permaculture Library or Course Reading List to a group in an economically oppressed country. We have more requests for such literature than we can fill. We will tell recipients the names of donors unless you ask us not to. Ask about making the contribution tax deductible in the US.

Prices subject to change. There can be no substitutions if ordering from this list. Offers subject to availability of texts from publishers.

NOTE: Because of exorbitant bank fees to exchange non-U.S. Currency into US dollars, WE CAN ONLY ACCEPT PAYMENT BY CHECK DRAWN ON A US BANK OR BY INTERNATIONAL POSTAL MONEY ORDER IN US DOLLARS. IMPORTANT. Make checks payable to Yankee Permaculture. **However make postal money orders payable exactly as follows: "Dan or Cynthia Hemenway."** (Not "Dan Hemenway" or "Cynthia Hemenway" but "Dan or Cynthia Hemenway"—all four words!) Incorrectly assigned postal money orders may cause delay of shipment. The US post office may refuse to cash postal money orders made to Yankee Permaculture!

Be sure that you have a copy of the full Yankee Permaculture Price List. **Any order for the individual publications, not the full package, must be on our regular order form.** You can download it at <http://barkingfrogspc.tripod.com/frames.html>

All our price lists are dated. We usually honor any price on a list that was dated to the previous six months, sometimes much longer. Copies of our price list transmitted by email are valid at least six months from date of transmission unless updated in a later transmission. **Exception:** other publishers usually give us no warning when they raise prices. If they raise their price to us, we must raise our price to you. All offers are subject to availability.

To learn of additional publications relating to permaculture, check the book review sections our serial publications.

DESIGN COURSE ON CD-ROM

We are working to put portions of the online course on a CD-ROM, including all instructors' posts usually sent by email. Inquire about availability.

We particularly recommend the following books, although Yankee Permaculture does not carry them at this time.

The One Straw Revolution by Masanobu Fukuoka
Freshwater Aquaculture by Bill McLarney
Dwellers in the Land by Kirkpatrick Sale
How to Grow More Food... by John Jeavons
Seed to Seed by Suzanne Ashworth
Garden Seed Inventory by Kent Whealy
Fruit, Berry and Nut Inventory by Kent Whealy

Contact Elfin Permaculture at this address for details on hosting a workshop or Permaculture Design Course in your area.

The publications on this reading list apply to broad aspects of permaculture. Information pertaining specific circumstances is listed in many other publications on our regular and special order forms.

People who do not require certification and who wish to study independently can get the publications on reading list and Yankee Permaculture Paper 24E, which is the list of assignments, and conduct their own course of study. 24# is free if downloaded from our web site or available for sale from our order form. Course monitors can also "listen in" to the class discussion and get supplemental email posts of material not covered by the reading list. To begin practice permaculture design, even at home, it is advisable to get some personal training or guidance from an established permaculture designer.
