

## Yankee Permaculture Publications Available on Computer CD

We now offer a number of our publications on CD. Our publications originate on a Macintosh computer. You may get the material in the native format or as a pdf file that you can read with Adobe Acrobat on just about any computer. (Some applications, such as Microsoft Word and Filemaker Pro are also alleged to be cross platform.) You can download Acrobat free from the Adobe web page if you do not have it already. There is no refund for CDs, but we will replace any defective disk returned within 60 days. For prices of these documents in print, see the regular Yankee Permaculture Order Form at <http://barkingfrogspc.tripod.com/frames.html>.
